

Razorlight to Rip it Up at T on the Fringe 2007

In another taster of what promises to be a stunning T on the Fringe line-up, **DF Concerts** and founding partners **Tennent's Lager** are thrilled to announce that **Razorlight** will be bringing their Golden Touch to this year's **T on the Fringe** in one of the biggest gigs in the history of the festival.

The band will play their largest ever headline show at **Meadowbank Stadium** on **Sunday 26th August 2007**, performing all the hits from their chart topping albums to 25,000 music fans.

Razorlight are the third band to confirm for **T on the Fringe's** fantastic line-up of outdoor shows, with rock legends **Foo Fighters (Tuesday 21st)** and **Kaiser Chiefs (Friday 24th)** also coming to Edinburgh this August.

The capacity of Meadowbank has been increased to 25,000 this year making these the biggest gigs in the festival's history. The support acts have still to be announced for all three of these gigs, but we can promise they'll make for some amazing live shows.

The London-based Razorlight last played as part of **T on the Fringe** two years ago, selling out the Edinburgh Corn Exchange. Since then their sound has grown from the indie-disco floor-fillers of their debut 'Up All Night' to a more bold approach on their self titled follow-up.

Since its inception in 2000, **T on the Fringe** has played host to some of the most commercially successful artists as well as the best in alternative and emerging talent.

Razorlight's show promises to be one of the highlights of the summer and we'll be announcing many more fantastic additions to the line-up over the coming months.

Notes to editors:

Since the inaugural T on the Fringe back in 2000, DF Concerts and Tennent's Lager have worked together to bring an astounding mix of new and established, international and home-grown talent in an unparalleled line-up that truly enhances the eclectic nature of Edinburgh in August. Over the years the event has played host to the likes of **Pixies, Muse, Morrissey, Nancy Sinatra, Franz Ferdinand** and **Arcade Fire**.

2006 saw the most successful T on the Fringe in its seven years with 100,000 tickets sold for almost 60 gigs featuring 134 artists. **Snow Patrol** rocked the 22,000 Meadowbank crowd as they played what was their biggest headline gig, and at the same time breaking a record already held by T on the Fringe for the biggest show at the Edinburgh Fringe.
